

CELEBRATE ARLINGTON!

A COMMUNITY FESTIVAL

SEPTEMBER 25 - 27, 2020

The award-winning Arlington 20/20 community transformation initiative is planning a three-day community festival to celebrate the past and present and envision the future of Arlington. The Arlington 20/20 Steering Committee, comprised of over 25 faith-based, nonprofit, corporate, and government partners, as well as community residents, is in a unique position to host this festival that will celebrate progress and highlight what makes Arlington a great place to live, work, and play. This signature event will be a valued addition to life in Arlington, contributing to neighbors' sense of connection and community pride.

FRIDAY

ABOUT ARLINGTON 20/20

Revitalize Arlington, Inc., is a 50(c)(3) faith-based community development corporation chartered in 2006 by Impact Church. The church was founded as Faith Christian Center on August 18, 1996, and has sought to make a difference, specifically in the Arlington community of Jacksonville, ever since. In fact, the changing of the church's name to "Impact" in 2014 reflects its mission and grew out of the leadership's desire to positively impact the surrounding community in measurable ways. Revitalize Arlington and its signature initiative, Arlington 20/20, connect the residents of the Arlington community with faith, business, higher education, nonprofit, and government partners to address five focus areas: Community Empowerment, Family Strengthening, Economic Development, Housing Development, and Workforce Development.

The work of Arlington 20/20 is guided by a 20-point plan developed by stakeholders. A steering committee comprised of partners meets monthly to coordinate efforts and track progress with respect to goals. In addition, subcommittees focused on safety, economic opportunity, resource development, and Celebrate Arlington (a community festival) meet monthly and report out at steering committee meetings.

Due to the unique and broad nature of the partnership, Arlington 20/20 has received two awards: the HandsOn Community Award from HandsOn Jacksonville in 2017 and, most recently, the Power of Community Award from LISC Jacksonville in 2020. Accomplishments include establishing two food pantries including a school-based pantry and The Arlington Market Pantry in Regency Square Mall, in collaboration with Feeding Northeast Florida; mobilizing over 1,000 volunteers to serve within the Arlington community, contributing over 4,000 hours of service; leveraging over \$150,000 of financial support for community development efforts in Arlington; implementing workforce development programming; providing out of school programs for children and youth; and revitalizing neglected neighborhoods through public art, adaptive reuse of vacant buildings, and support of small businesses.

In addition to capacity building support, current resource development priorities include:

- Adaptive reuse of two public buildings into the Woodland Acres I.M.P.A.C.T. Dream Center, a service hub focused on economic mobility, family strengthening, and community health;
- Celebrate Arlington, a three-day community placemaking event that includes a visioning charrette, 5K, gala, and family picnic; and
- Expansion of the Arlington Center for Economic Opportunity, which includes employment coaching, financial coaching, workforce development, and income supports.
